#### INDEPENDENT AUDITOR'S REPORT

To the Shareholders of Fifth Street Asset Management Inc.

We have audited the accompanying consolidated financial statements of Fifth Street Asset Management Inc. and its subsidiaries (the "Company"), which comprise the consolidated statement of net assets in liquidation as of December 11, 2020, and the related consolidated statement of changes in net assets in liquidation for the period from January 1, 2020 to December 11, 2020 and the related notes to the consolidated financial statements.

#### Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Opinion

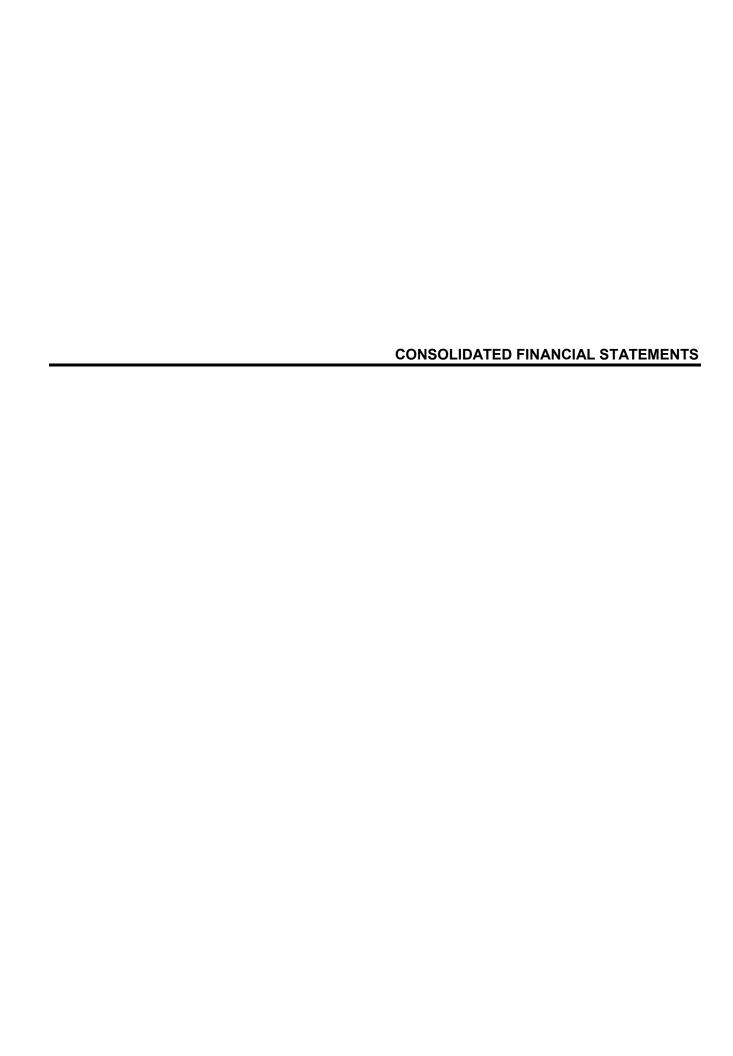

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the net assets in liquidation of Fifth Street Asset Management Inc. and its subsidiaries as of December 11, 2020, and changes in their net assets in liquidation for the period ended December 11, 2020 in accordance with accounting principles generally accepted in the United States of America.

#### **Basis of Accounting**

As discussed in Note 2 to the consolidated financial statements, the Members of the Company approved a plan of liquidation on November 28, 2017, and, accordingly the Company's consolidated financial statements are prepared on the liquidation basis of accounting when an entity is in liquidation. Our opinion is not modified with respect to this matter.

New York, New York July 6, 2021

#### FIFTH STREET ASSET MANAGEMENT INC. NOTES TO CONSOLIDATED FINANCIAL STATEMENTS December 11, 2020

#### NOTE 1 — ORGANIZATION AND NATURE OF OPERATIONS

Fifth Street Asset Management Inc. ("FSAM") was incorporated in Delaware on May 8, 2014 as a holding company with its primary assets being a limited partnership interest in Fifth Street Holdings L.P. ("Fifth Street Holdings"). Fifth Street Holdings was formed on June 27, 2014 as a Delaware limited partnership. As of December 11, 2020, there were 51,600,419 shares of FSAM's Class A common stock outstanding of its 60,000,000 shares of Class A common stock authorized, par value \$0.01 per share, and FSAM owned all shares outstanding.

FSAM, together with its subsidiaries (collectively, the "Company"), were an alternative asset management firm headquartered in Greenwich, CT that provided asset management services to investment funds held by its subsidiary, Fifth Street Holdings.

On October 23, 2017, FSAM's Board of Directors determined that it was advisable and in the best interest of FSAM and its stockholders to dissolve FSAM and wind up its affairs in accordance with the requirements of the General Corporation Law of the State of Delaware (the "DGCL") and the Internal Revenue Code ("IRC"). As a result of this determination, on November 6, 2017, FSAM voluntarily withdrew its Class A common stock from listing and registration on Nasdaq, and on November 28, 2017, the FSAM stockholder written consent in lieu of a meeting of stockholders approved the liquidation and dissolution of the Company pursuant to a plan of liquidation (the "Plan of Liquidation"). As a result, liquidation was imminent as of November 28, 2017 (the "Effective Date") in accordance with the guidance provided in Financial Accounting Standards Board Accounting Standards Codification ("ASC") Topic 205-30, *Presentation of Financial Statements – Liquidation Basis of Accounting*.

On December 11, 2017, the Company filed a Certificate of Dissolution with the Secretary of State of Delaware. Pursuant to DGCL, the Company continues to exist for three years after the filing or for such longer period as the Delaware Court of Chancery shall direct. During this three-year period, the Company cannot continue the business for which it was organized.

Upon filing of the Certificate of Dissolution, the Company adopted the Plan of Liquidation. The Plan of Liquidation provides that the Company will cease further business activities except to the extent required to liquidate the entity. The Plan of Liquidation provides that, among other actions, the following steps will be completed at such times as the Board of Directors or the officers of the Company implement the Plan of Liquidation, in their discretion and in accordance with the DGCL.

The Plan of Liquidation steps include (1) sell all the remaining investments held by the Company; (2) seek collection of the Company's, escrow receivable, due from affiliates and income tax receivable; (3) dispose of all tangible assets (e.g. fixed assets, artwork and fractional interests in corporate aircrafts) which may include sales to related or unrelated parties or donations to charitable organizations; (4) pay or make provision for the payment of liabilities and outstanding obligations of the Company prior to the date of the Plan of Liquidation or to be incurred after such date, including expenses associated with the liquidation and winding up of the Company's affairs; (5) if deemed necessary or appropriate by the Board of Directors of the Company, in its absolute discretion, establish and set aside a contingency reserve to satisfy claims against and any unmatured or contingent liabilities of the Company and expenses of the sale of the Company's property and assets and the liquidation and dissolution provided for in the Plan of Liquidation; (6) pay liquidating distributions to stockholders of record of the Company as determined by the Board of Directors of the Company; (7) distribute to stockholders of the Company the remaining assets of the Company after payment or provision for payment of claims against and obligations of the Company, and (8) take any and all other actions permitted or required by the DGCL and any other applicable laws and regulations.

# FIFTH STREET ASSET MANAGEMENT INC. NOTES TO CONSOLIDATED FINANCIAL STATEMENTS December 11, 2020

#### NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### **Basis of Consolidation**

The accompanying consolidated financial statements included the accounts of FSAM, its wholly owned subsidiary Fifth Street Holdings, an investment company with its wholly owned subsidiary of Fifth Street Capital West and the following subsidiaries through their dissolution during the period from January 1, 2020 to December 11, 2020; Fifth Street Capital LLC and FSC LLC.

#### **Basis of Accounting**

Upon adoption of the Plan of Liquidation, the Company adopted the liquidation basis of accounting as of November 28, 2017. This basis of accounting is considered appropriate when, among other things, liquidation of the entity is imminent, as defined in ASC Topic 205-30, *Presentation of Financial Statements – Liquidation Basis of Accounting*.

Under the liquidation basis of accounting, all of the assets have been stated at their estimated net realizable value based on current contracts, estimates and other indications of sales value. All liabilities, including those estimated costs associated with implementing the Plan of Liquidation, have been stated at their estimated settlement amounts. These estimates will be periodically reviewed and adjusted as appropriate. There can be no assurance that these estimated values will be realized. The actual values and costs associated with carrying out the Plan of Liquidation may materially differ from amounts reflected in the accompanying consolidated financial statements. In particular, the estimates of anticipated costs and revenues will vary with the length of time necessary to complete the Plan of Liquidation, which is currently anticipated to be completed during 2021. Accordingly, it is not possible to predict with certainty the timing or aggregate amount which may ultimately be distributed to the stockholders and no assurance can be given that the distribution will equal or exceed the estimate presented in the accompanying consolidated statement of net assets in liquidation.

#### **Use of Estimates**

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States and under the liquidation basis of accounting requires management to make estimates and judgments that affect the reported values of assets and liabilities at the date of the consolidated financial statements and the reported amounts of income and expenses during the reporting period. Actual results could differ from those estimates. Any increase in the amount of expenses incurred or decreases in the estimated realizable value of the Company's assets will reduce the amount that is ultimately distributed to the stockholders.

#### **Cash and Cash Equivalents**

The Company considers all highly liquid investments with maturities of three months or less from the date of purchase and money market funds to be cash equivalents.

#### **Concentration of Credit Risk**

Financial instruments which potentially subject the Company to credit and concentration risk consist principally of cash and cash equivalents and investments balances maintained in financial institutions that are, in part, in excess of Federal Deposit Insurance coverage limits.

# FIFTH STREET ASSET MANAGEMENT INC. NOTES TO CONSOLIDATED FINANCIAL STATEMENTS December 11, 2020

#### NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### **Other Assets**

Other assets primarily consisted of the residual value of the Company's fractional interests in a corporate aircraft and security deposits and have been recorded at the amount expected to be received upon sale or expiration of the related agreements. The fractional interests in the corporate aircraft were sold in January 2020.

#### **Income Taxes**

Fifth Street Holdings complies with the requirements of the IRC that are applicable to limited partnerships, which allows for the pass-through of taxable income or loss to its limited partners, including FSAM, who are individually responsible for any federal and state tax consequences. The tax provision includes the income tax obligation related to FSAM's allocated portion of Fifth Street Holdings' income, which is net of any tax incurred at the subsidiaries that are subject to income tax.

FSAM (including Fifth Street Holdings, a disregarded entity of FSAM) and three of its subsidiaries, excluding Fifth Street Holdings, are Corporations for Federal and state tax purposes and follow the provisions of ASC 740, *Accounting for Income Taxes*, which requires the use of the asset and liability method of accounting for income taxes. Accordingly, deferred tax assets and liabilities are determined based on the difference between the consolidated financial statement and income tax bases of assets and liabilities, using enacted tax rates in effect for the year in which the differences are expected to reverse. A valuation allowance is required if, based on the weight of available evidence, it is more likely than not that some portion or all of the deferred tax assets will not be realized. Current income taxes are based on the current period taxable income for Federal, state and local income tax reporting purposes.

Management has determined that it is more likely than not that the deferred tax asset will not be fully recoverable in the future, and accordingly, a full valuation allowance was established as of December 11, 2020. As a result, the company does not reflect a deferred tax asset on its consolidated statement of net assets in liquidation.

Further, the Company records its income taxes receivable and payable based upon its estimated income tax liability. The Company does not expect to have current or future taxable income. Accordingly, a tax payable has not been recorded. The Company does expect to have a tax receivable which consists of tax overpayment amounts credited on its prior year income tax returns and expected tax receivables associated with Federal and state net operating loss carryback claims.

The Company recognizes the effect of income tax positions only if those positions are more likely than not of being sustained. Recognized income tax positions are measured at the largest amount that is greater than 50% likely of being realized. Changes in recognition or measurement are reflected in the period in which the change in judgment occurs.

The Company does not believe it has any significant uncertain tax positions as of December 11, 2020.

#### **Subsequent Events**

For the purposes of preparing these consolidated financial statements, the Company considered events through July 6, 2021, the date the consolidated financial statements were available for issuance.

#### FIFTH STREET ASSET MANAGEMENT INC. NOTES TO CONSOLIDATED FINANCIAL STATEMENTS December 11, 2020

#### NOTE 3 — ESTIMATED ACCRUAL OF NET COSTS INCURRED DURING LIQUIDATION

The liquidation basis of accounting requires the Company to estimate net cash flows associated with implementing and completing the Plan of Liquidation. The Company currently estimates that it will incur estimated costs in excess of estimated income during the remaining liquidation period. These amounts can vary significantly due to, among other things, the timing and amounts associated with discharging known and contingent liabilities, changes in value of assets and the costs associated with the winding up of operations. These costs and income are estimated and are anticipated to be paid through the final distribution.

Upon transition to the liquidation basis of accounting on November 28, 2017, the Company accrued the income and expenses expected to be earned or incurred during liquidation. The changes in such liability from January 1, 2020 to December 11, 2020 are as follows:

	Expenditures/					
			Re	measurements		December 11,
	Janu	uary 1, 2020		/ Receipts		2020
Assets:						
Interest income on investments	\$	(264,873)	\$	264,873	\$	-
Liabilities:						
Compensation and related expenses		2,058,802		(2,053,089)		5,713
Professional fees		479,202		(473,898)		5,304
Occupancy costs, net of sublease income		320,814		(286,835)		33,979
Operating costs relating to fractional						
interest in corporate aircrafts		2,450		(2,450)		-
Board of director fees		155,000		(112,500)		42,500
Other corporate expenses		257,180		(219,031)		38,149
Estimated accrual of net costs incurred during						
liquidation	\$	3,008,575	\$	(2,882,930)	\$	125,645

#### NOTE 4 — RELATED PARTY TRANSACTIONS

Tannenbaum Family Office, LLC ("TFO"), located in Florida, controlled by the Company's chairman and chief executive officer, provided general and administrative services to the Company, for which the Company agreed to reimburse expenses including staffing and rent incurred on behalf of FSAM amounting to approximately \$590,000 for the period from January 1, 2020 to December 11, 2020.

#### FIFTH STREET ASSET MANAGEMENT INC. NOTES TO CONSOLIDATED FINANCIAL STATEMENTS December 11, 2020

#### **NOTE 5 — SUBSEQUENT EVENTS**

On December 29, 2020, the Company paid a liquidation distribution in the amount of \$0.15 per share. The total distribution amounted to \$7,482,061.

Effective June 23, 2021, the Company entered into an assignment and assumption agreement with TFO, whereas TFO purchased the tax refunds of \$84,712 less legal fees of \$1,000.

On June 30, 2021, the Company paid a final cash liquidation distribution in the amount of \$0.01 per share. The total distribution amounted to \$756,705, and represented a final liquidation distribution of all of the Company's remaining assets.

Effective June 30, 2021, the Company's shares of Class A Common stock were fully redeemed, resulting in a complete cancellation and redemption of all of the Company's outstanding stock.
